Innovation and Warm Companionship

Dear respected INNOBIZ members,
Greetings, I am the 8th Chairman of INNOBIZ Association, Myung-ki Sung.

INNOBIZ Association celebrates its 16th year since the establishment in 2002. In the meantime, the INNOBIZ Association has been leading technology innovation as an organization representing the rights and interests of INNOBIZ enterprises. It has grown to become a renowned SME organization with more than 18,000 INNOBIZ certified companies and over 12,400 registered members.

INNOBIZ Association and its member companies are now at the forefront of technological innovation to prepare for a new future in which both crises and opportunities represented by the Fourth Industrial Revolution and the Demographic Cliff are imminent.

I feel a great sense of responsibility, thus we will strive to become a more innovative and growing INNOBIZ Company and Association with the slogan “Innovation and Warm Companionship”.

As the 8th Chairman of the Association representing INNOBIZ enterprises, I will gather all members for a warm association.

The 8th Chairman of the INNOBIZ Association
Myung-ki Sung
